TITLE OF BILL: An act to amend the administrative code of the city of New York, in relation to providing that a representative holding the title of pilot or marine engineer appointed by the president of the uniformed firefighters association of greater New York be entitled to cast one-half vote on the FDNY's pension fund subchapter two board of trustees

PURPOSE: This legislation would provide that a representative holding the title of pilot or marine engineer appointed by the president of the uniformed firefighters association of greater New York, be entitled to cast one-half vote on the FDNY's pension fund subchapter two Board of Trustees.

SUMMARY OF PROVISIONS: This bill would amend Section 13-316 of the administrative code of the City of New York to provide that a representative holding the title of pilot or marine engineer appointed by the president of the uniformed firefighters association of greater New York, be entitled to cast one-half vote on the FDNY's pension fund subchapter two board of trustees.

JUSTIFICATION: FDNY pilots and marine engineers have voted to end their affiliation with the Marine Engineers Benevolent Association ("MEBA") and are now members of the Uniformed Firefighters Association of Greater New York pursuant to the decision and certification of the New York City Office of Collective Bargaining, Board of Certification. The bargaining certificate for the titles of pilot and marine engineer is now held by the Uniformed Firefighters Association of Greater New York. As a result, the one-half vote on the FDNY's Pension Fund Subchapter Two Board of Trustees that was previously held by the President of MEBA should now be held by a pilot or marine engineer appointed by the President of the Uniformed Firefighters Association of Greater New York. This amendment to subdivision 10 of Section 13-316 would accomplish that change.
