

CURRENT INTRODUCTION NUMBER:

[Int. No. 637](#)

INITIAL SPONSORS:

Council Member Van Bramer

TITLE:

A Local Law to amend the administrative code of the city of New York, in relation to an annual report on commercial access to broadband.

BILL SUMMARY:

This plain language summary is for informational purposes only and does not substitute for legal counsel. For more information, you should review the [full text of the bill](#), which is available online at legistar.council.nyc.gov.

This bill would require the Department of Information Technology & Telecommunications to issue a report annually on the availability of broadband internet service for commercial purposes. It would also require a description of the progress of City programs meant to promote commercial broadband adoption and include recommendations on how to increase such adoption in the future.

CODE SECTIONS AFFECTED:

- Adds Administrative Code § 23-303

EFFECTIVE DATE:

Upon enactment.

NOTE: When reading the [full text of the bill](#) online at legistar.council.nyc.gov, language that is enclosed by [brackets] is proposed to be removed, and language that is underlined is proposed to be added.
