78-30

BULK REGULATIONS

78-31

Location of Buildings, Distribution of Bulk and Open Space and Modification of Height and Setbacks

(a) General provisions

For the purposes of this Section, the term "periphery" shall mean any #street line# bounding a #large-scale residential development# or any #lot line# abutting a #zoning lot# that is not part of the #large-scale residential development#. The term "wholly within" shall therefore mean any area of the #large-scale residential development# which is not within the area designated as "periphery." However, in R3-2 Districts, R4 Districts except R4A, R4-1 and R4B Districts, or R5 Districts except R5B Districts, the "periphery" shall also include all portions of a #large-scale residential development# within 100 feet of a peripheral #street line# or within 30 feet of any other peripheral #lot line#, except for portions directly opposite:

- (1) an area of at least 1.5 acres in a #Residence District# that is either vacant or #land with minor improvements#; or

- (2) a #large-scale residential development developed# pursuant to the provisions of paragraph (b) of this Section; or
- (3) a #Commercial# or a #Manufacturing District#.

All #buildings or other structures# in the periphery of a #large-scale residential development# shall comply with the height and setback regulations of Article II, Chapter 3, except as otherwise provided in this Section.

Special provisions applying to #large-scale residential developments# in R3, R4 or R5 Districts are set forth in paragraphs (b) and (c) of this Section. The provisions of paragraph (b) shall apply to any #large-scale residential development# in R3-2 Districts, R4 Districts except R4A, R4-1 and R4B Districts, or R5 Districts except R5B Districts. The provisions of paragraph (c) shall apply only to #large-scale residential developments# in all R3, R4 or R5 Districts that utilize the bonus provisions of Section 78-32 through 78-35, inclusive.

(b) Alternate height and setback regulations for certain districts

In R3-2 Districts, R4 Districts except R4A, R4-1 and R4B Districts, or R5 Districts except R5B Districts, #buildings or other structures#, or portions thereof, “wholly within” a #large-scale residential development# may use the alternate height and setback regulations set forth in paragraphs (b)(1) through (b)(3) of this Section.

- (1) In R3-2 Districts, the height and setback regulations applicable to R4 Districts, except R4A and R4B Districts, may be used.
- (2) In R4 Districts, no portion of any #building or other structure#, including the apex of a roof, shall penetrate a plane 35 feet in height above the #base plane#.
- (3) In R5 Districts, no portion of any #building or other structure#, including the apex of a pitched roof, shall penetrate a plane 40 feet in height above the #base plane#.

- (c) Alternate #floor area# and #open space# regulations in R3, R4 or R5 Districts

In #large-scale residential developments# that utilize the bonus provisions of this Chapter, the #floor area ratio# and the #open space ratio# controls set forth in the following table shall apply in lieu of the #floor area ratio# and #lot coverage# controls of Article II, Chapter 3.

District	#Open Space Ratio#	#Floor Area Ratio#
R3	150	.50*
R4	80	.75*
R5	40	1.25

* The #floor area ratio# in the table may be increased by up to 20 percent provided that any such increase in #floor area# is located under a sloping roof which rises at least 3 1/2 inches in vertical distance per each foot of horizontal distance and the structural headroom of such #floor area# is between five and eight feet. Any such additional #floor area# under a sloped roof shall not be used to compute the #open space ratio#

- (d) Authorizations may be granted for #buildings# to be located, #bulk# and #open space# distributed, and height and setback modified, in accordance with the provisions of this Section.
- (e) In R9, R10, C1-8, C1-9, C2-7 or C2-8 Districts, or in C1 or C2 Districts mapped within R9 or R10 Districts, #floor area# bonuses for #public plazas# or #arcades# permitted in accordance with the applicable district regulations shall apply only to a #development# or #enlargement# with 25 percent or less of the total #floor area# of the #building# in #residential use#.
- (f) Alternate window to #lot line# regulations for a #zoning lot# directly adjoining a #public park#

In R7-1 and R8 Districts within a #large scale residential development# in Community District 6 in the Borough of the Bronx, the required minimum distance between a #legally required window# and a #lot line#, as set forth in Section 23-86 (Minimum Distance Between Legally Required Windows and Walls or Lot Lines), inclusive, shall not apply where a #legally required window# is fronting upon a #public park# with an area of at least one-half acre.

SPECIAL PERMITS

89-21

Transfer of Floor Area from Hudson River Park

The City Planning Commission may permit a transfer of #floor area# from a #granting site# to a #receiving site#, may permit distribution of total allowable #floor area# of a #receiving site# without regard for zoning district boundaries, may permit that such #receiving site# be treated as a single #zoning lot# for all purposes of this Resolution, and may modify #bulk# regulations for a #development#, #enlargement# or #conversion# located on such #receiving site#.

(a) Application requirements

All applications for a special permit pursuant to this Section shall include the following:

- (1) a survey of the #granting site# illustrating existing #buildings# to remain on the #granting site# and zoning calculations indicating the #floor area# on the #granting site# and within such #buildings#;
- (2) a survey of the #receiving site# and a site plan illustrating the proposed #development#, #enlargement# or #conversion# on such lot, and associated zoning calculations demonstrating compliance with the conditions and limitations set forth in this special permit;
- (3) drawings that illustrate any proposed #bulk# modifications for the proposed #development#, #enlargement# or #conversion# on the #receiving site#; and
- (4) a statement from the Hudson River Park Trust identifying improvements to be made to Hudson River Park, and indicating that the transfer of #floor area# pursuant to this Section, in combination with any other available funding, would be sufficient, according to the Trust's estimate, to complete such identified improvements.

(b) Conditions and limitations

All applications for a special permit pursuant to this Section shall comply with the following conditions:

- (1) the maximum #floor area# that may be transferred from the #granting site# shall be the maximum #floor area# permitted for the #granting site# under the applicable district regulations if it were undeveloped, less the #floor area# of all #buildings# on such #granting site#;
- (2) the increase in #floor area# on the #receiving site# allowed by the transfer of #floor area# to such #receiving site# shall in no event exceed 20 percent of the maximum #floor area# permitted on such #receiving site# by the underlying district;
- (3) the transfer, once completed, shall irrevocably reduce the amount of #floor area# that can be utilized by the #granting site# by the amount of #floor area# transferred;
- (4) the #granting site# and location of identified improvements to be made to the Hudson River Park in connection with the proposed transfer of #floor area# are located in the same Community District as the #receiving site#, or within one-half mile of the #receiving site#;
- (5) if the proposed #development#, #enlargement# or #conversion# on the #receiving site# includes #residential floor area#, it shall provide #affordable housing# in accordance with Section 23-90 (Inclusionary Housing);
- (6) the portion of the #receiving site# located over West Houston Street shall not generate #floor area#, and no #floor area# shall be located directly above West Houston Street; and
- (7) the height and setback requirements of the applicable district shall apply to the portions of the #receiving site# located on each side of

the mapped #street lines# of West Houston Street.

(c) Findings

The Commission may grant the transfer of #floor area# and any associated #bulk# modifications, provided that:

- (1) such transfer of #floor area# will facilitate the repair, rehabilitation, maintenance and development of Hudson River Park, including its piers, bulkheads and infrastructure; and
- (2) the transfer of #floor area# will support the completion of improvements to Hudson River Park as identified in the statement submitted to the Commission by the Trust as part of this application; and
- (3) for the #receiving site#:
 - (i) the proposed configuration and design of #buildings#, including any associated structures and open areas, will result in a superior site plan, and such #buildings# and open areas will relate harmoniously with one another and with adjacent #buildings# and open areas;
 - (ii) the location and quantity of the proposed mix of #uses# will complement the site plan;
 - (iii) the proposed transfer of #floor area# and any modification to #bulk# regulations will not unduly increase the #bulk# of any #building# on the #receiving site# or unduly obstruct access of adequate light and air to the detriment of the occupants or users of #buildings# on the #block# or nearby #blocks#, or of people using the public #streets# and other public spaces;
 - (iv) such transferred #floor area# and any proposed modifications to #bulk# are appropriate in relation to the identified improvements to

Hudson River Park; and

- (v) any #affordable housing#, as defined in Section 23-90 (Inclusionary Housing), that is provided as part of the project will support the objectives of the Inclusionary Housing Program.

(d) Additional requirements

The City Planning Commission shall receive a copy of a transfer instrument legally sufficient in both form and content to effect such a transfer of #floor area#. Notices of the restriction upon further #development#, #enlargement# or #conversion# of the #granting site# and the #receiving site# shall be filed by the owners of the respective #zoning lots# in the Office of the Register of the City of New York (County of New York). Proof of recordation of the notices shall be submitted to the Chairperson of the City Planning Commission, in a form acceptable to the Chairperson.

Both the transfer instrument and the notices of restriction shall specify the total amount of #floor area# transferred and shall specify, by lot and block numbers, the #granting site# and the #receiving site# that are a party to such transfer.

On a #receiving site#, for any #development#, #enlargement# or #conversion# that is the subject of a special permit granted by the Commission pursuant to Section 89-21 (Transfer of Floor Area from Hudson River Park), the Department of Buildings shall not:

- (1) issue a building permit until the Chairperson of the Commission has certified that the owner of the #receiving site# and the Hudson River Park Trust have jointly executed documents sufficient to facilitate a payment schedule associated with the transfer of #floor area#; or
- (2) issue a temporary certificate of occupancy until the Chairperson of the Commission has certified that the Hudson River Park Trust has

submitted a letter to the Chairperson confirming that payment of all required funds has been made by the owner of such #receiving site# to the Hudson River Park Trust, and that all required funding tools and/or payments are in satisfactory compliance with the executed payment schedule.

The Commission may prescribe additional appropriate conditions and safeguards to improve the quality of the #development#, #enlargement# or #conversion# and minimize adverse effects on the character of the surrounding area.
