Int. No. 1428

By Council Members Dromm, Espinal, Rosenthal, Rodriguez, Chin, Garodnick and Crowley

A Local Law to amend the administrative code of the city of New York, in relation to age limitations on school buses and replacing such school buses with all electric school buses

Be it enacted by the Council as follows:

Section 1. Paragraph (1) of subdivision d of section 24-163.9 of the administrative code of the city of New York, as amended by local law number 38 for the year 2015, is amended to read as follows:

(1) No diesel fuel-powered school bus of the designation "Type A bus" or "Type B bus," as set forth in subdivisions x and y of section 720.1 of title seventeen of New York codes, rules and regulations, with an engine model year of 2007 or later or that is utilizing a closed crankcase ventilation system pursuant to subdivision c of this section and no diesel fuel-powered school bus of the designation "Type C bus" or "Type D bus," as set forth in subdivisions z and aa of section 720.1 of title seventeen of New York codes, rules and regulations, shall be used to fulfill any school bus contract beyond the end of the [sixteenth] tenth year from the

date of manufacture, as noted on the vehicle registration, or the end of the school year in which that date falls, whichever is later.

§ 2. Subdivision d of section 24-163.9 of the administrative code of the city of New York, as amended by local law number 38 for the year 2015, is amended by adding a new paragraph (3) to read as follows:

(3) Except for any all-electric zero emission school bus, no non-diesel fuel-powered school bus shall be used to fulfill any school bus contract beyond the end of the tenth year from the date of manufacture, as noted on the vehicle registration, or the end of the school year in which that date falls, whichever is later.

§ 3. Subdivision e of section 24-163.9 of the administrative code of the city of New York, as amended by local law number 38 for the year 2015, is amended to read as follows:

e. School buses shall be replaced pursuant to subdivision d of this section with (1) a school bus meeting the most recent diesel engine emissions standards issued by the United States environmental protection agency, or (2) an all-electric, gasoline-powered, compressed natural gas, or hybrid school bus, as long as the particulate matter emissions of such school bus do not exceed emission levels permitted in the most recent diesel engine emissions standards issued by the United States environmental protection agency, provided that on and after September 1, 2040 such school buses must be replaced with all-electric zero emission school buses.

§ 4. This local law takes effect 180 days after it becomes law, except that the commissioner of environmental protection may take such measures as are necessary for its implementation, including the promulgation of rules, prior to such date.
