**§ 28-108.1 General.** The commissioner shall not issue a permit for the erection of a new building or for alterations that will require the issuance of a new or amended certificate of occupancy without a statement that no certificate of occupancy shall be issued unless the sidewalk in front of or abutting such building, including but not limited to the intersection quadrants for corner properties, shall have been paved or repaired by the owner, at his or her own cost, in the manner, of the materials, and in accordance with the standard specifications prescribed by the New York city department of transportation pursuant to section[s] 19-113 and subdivision a of section 19-115 of the administrative code.

**Exceptions:**

Where the commissioner determines that a sidewalk is not required, provided that such determination shall not affect the obligations of the owner under subdivision a of section 19-152 of the administrative code, nor relieve the owner of any such obligations, nor impair or diminish the rights of the city or its agencies to enforce such obligations.

**§ 28-108.2 Pavement plan required.** Construction documents shall include a pavement plan processed and approved under guidelines established by the department. **Exception:** No pavement plan shall be required with respect to an alteration application for a building where the applicant certifies that there is a sidewalk in existence in front of or abutting such building, including but not limited to the intersection quadrants for corner properties, complying with the specifications of the New York city department of transportation, and that the nature of such alteration work will neither remove such existing sidewalk nor cause damage to such existing sidewalk such that the damage could not be corrected as minor repairs prior to issuance of the certificate of occupancy.

§ 4. This local law takes effect 120 days after it becomes law, except that the commissioner of transportation may take such measures as are necessary for the implementation of this local law, including the promulgation of rules, prior to such date.
