Whereas, The New York City Department of Transportation operates forty-two municipal parking garages and lots which are located in all five boroughs; and

Whereas, Municipal parking garages and lots accept payment via credit card, parking card, and coins;  
and

Whereas, Each municipal parking garage and lot has different hours of operation and different parking rates; and

Whereas, There is a lack of available parking spots during a snow emergency and municipal parking garages and lots, if open and affordable, could help create additional parking spaces; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the Mayor of the City of New York to open all municipal garages and parking lots when a snow emergency has been declared, for a fee not to exceed twenty dollars per day.
