and approval by such agency of the material terms of any contract or transaction, direct or indirect, between an

institution and any [member of its governing board] person in a leadership position at such institution, any

2. Preclude any [member of the governing board of] person in a leadership position at any institution

from sharing, participating or benefiting, directly or indirectly, in the proceeds from any contract or transaction

entered into between the institution and any third party unless such participation or benefit has been approved

in advance by the agency and the governing board of the institution has approved the transaction by a two-

thirds majority excluding the vote of [member] any such person to be benefited.

3. Require each [member of its governing board] person in a leadership position to submit to the

agency each year a disclosure statement including such [member's] person's name, home address, principal

occupation and business interests from which such [member] person or such [member's] person's spouse or

domestic partner received income equal to or greater than ten per cent of their aggregate gross income during

the previous year.

b. For purposes of this section a person in a leadership position means a person who is a member on a

governing board, the president or the chief executive officer of a charitable institution.

any institution which has failed to pass and implement such by-laws.

§2. This local law shall take effect immediately.
