1. The number of criminal summonses issued;

2. The number of civil summonses issued; and

3. Where applicable, for criminal summonses, the criteria applied pursuant to subdivision b of section 14-155 of this chapter in making the determination to issue such summonses.

b. The information required pursuant to subdivision a of this section shall be listed in total and disaggregated by:

1. offense;

2. race;

3. gender;

5. the borough in which the summons was issued; and

6. the patrol precinct, housing police service area, and transit district in which the summons was issued.

c. The information required pursuant to subdivisions a and b for each quarter shall be stored permanently on the department's website and shall be provided in a format that permits automated processing.

Each quarterly report shall include a comparison of the current quarter to the same quarter in the prior three years, and the current year to the prior five years, where such information is available.
