A Local Law to amend the administrative code of the city of New York, in relation to requiring gas service providers and owners to notify the department of buildings within twenty-four hours when gas service is shut-off or not restored due to safety concerns

Be it enacted by the Council as follows:

Section 1. Article 119 of chapter 1 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-119.4:

§ 28-119.4 Notification of gas shut-off or non-restoration after inspection. Within 24 hours after gas service to a building is shut off by a utility company or utility corporation because of a class A or class B condition, as described in part 261 of title 16 of the New York codes, rules and regulations, and within 24 hours after gas service is, after an inspection by such a company or corporation, not restored because of such a condition, such company or corporation and the owner of such building shall each provide notice to the department in a form and manner prescribed by the department.
