Int. No. 1289

## By Council Members Vallone and Richards

A Local Law in relation to a local law to require the department of transportation and department of buildings to complete a study on alternatives to plywood

## Be it enacted by the Council as follows:

Section 1. Alternatives to plywood study. a. The department of transportation and department of buildings shall jointly study issues related to plywood use in construction sites on buildings, sidewalks, curbs and roadways. The study is to include all known safety incidents involving plywood, as well as the feasibility and safety of using alternatives to plywood in such construction sites.

b. The department of transportation and department of buildings shall deliver the results of the study to the council within 120 of the enactment of this law.

§ 2. This local law takes effect immediately.
