A Local Law to amend the administrative code of the city of New York, in relation to requiring that the department of transportation maintain curb heights following street construction

Be it enacted by the Council as follows:

Section 1. Subdivision a of section 19-147 of the administrative code of the city of New York, as amended and renumbered by local law number 104 for the year 1993, is amended to read as follows:

§ 19-147. Replacement of pavement and maintenance of street hardware.

a. General provisions. Whenever any pavement, sidewalk, curb or gutter in any street shall be taken up, the person or persons by whom or for whose benefit the same is removed shall restore such pavement,

sidewalk, curb or gutter to its proper condition to the satisfaction of the commissioner of transportation. The department shall ensure that appropriate curb heights are maintained whenever the department takes up and restores any pavement, sidewalk, curb or gutter in any street.

§ 2. This local law takes effect 90 days after it becomes law, except that the commissioner may take such measures as are necessary for the implementation of this local law, including the promulgation of rules, before such date.
