A Local Law to amend the administrative code of the city of New York, in relation to exemptions from the sale of tax liens

Be it enacted by the Council as follows:

Section 1. Subdivision a of section 11-319 of the administrative code of the city of New York, as amended by local law 15 for the year 2011, is amended to read as follows:

a. A tax lien or tax liens on a property or any component of the amount thereof may be sold by the city as authorized by subdivision b of this section, when such tax lien or tax liens shall have remained unpaid in whole or in part for one year, provided, however, that a tax lien or tax liens on any class one property or on class two property that is a residential condominium or residential cooperative, as such classes of property are defined in subdivision one of section eighteen hundred two of the real property tax law, may be sold by the city

only when the real property tax component of such tax lien or tax liens shall have remained unpaid in whole or in part for three years or, in the case of any class two residential property owned by a company organized pursuant to article XI of the state private housing finance law that is not a residential condominium or a residential cooperative, as such class of property is defined in subdivision one of section eighteen hundred two of the real property tax law, for two years, and equals or exceeds the sum of five thousand dollars or, in the case of abandoned class one property or abandoned class two property that is a residential condominium or residential cooperative, for eighteen months, and after such sale, shall be transferred, in the manner provided by this chapter, and provided, further, however, that (i) the real property tax component of such tax lien may not be sold pursuant to this subdivision on any residential real property in class one that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title, or pursuant to section four hundred fifty-eight of the real property tax law with respect to real property purchased with payments received as prisoner of war compensation from the United States government, or pursuant to paragraph (b) or (c) of subdivision two of section four hundred fifty-eight-a of the real property tax law, or where the owner of such residential real property in class one is receiving benefits in accordance with department of finance memorandum 05-3, or any successor memorandum thereto, relating to active duty military personnel, or where the owner of such residential real property in class one has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date, or on any real property that was in receipt of a real property tax exemption pursuant to section four hundred twenty-a, four hundred twenty-b, four hundred forty-six, or four hundred sixty-two of the real property tax law in one of the five fiscal years preceding the date of such sale, and (ii) the sewer rents component, sewer surcharges component or water rents component of such tax lien may not be sold pursuant to this subdivision on any one family residential real property in class one or on any two or three family residential real property in class one that is receiving an exemption pursuant to section 11-245.3 or 11-245.4 of this title, or pursuant to

section four hundred fifty-eight of the real property tax law with respect to real property purchased with payments received as prisoner of war compensation from the United States government, or pursuant to paragraph (b) or (c) of subdivision two of section four hundred fifty-eight-a of the real property tax law, or where the owner of any two or three family residential real property in class one is receiving benefits in accordance with department of finance memorandum 05-3, or any successor memorandum thereto, relating to active duty military personnel, or where the owner of any two or three family residential real property in class one has been allowed a credit pursuant to subsection (e) of section six hundred six of the tax law for the calendar year in which the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, occurs or for the calendar year immediately preceding such date. A tax lien or tax liens on any property classified as a class two property, except a class two property that is a residential condominium or residential cooperative, or a class two residential property owned by a company organized pursuant to article XI of the state private housing finance law that is not a residential condominium or a residential cooperative, or class three property, as such classes of property are defined in subdivision one of section eighteen hundred two of the real property tax law, shall not be sold by the city unless such tax lien or tax liens include a real property tax component as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale. Notwithstanding any provision of this subdivision to the contrary, any such tax lien or tax liens that remain unpaid in whole or in part after such date may be sold regardless of whether such tax lien or tax liens include a real property tax component. A tax lien or tax liens on a property classified as a class four property, as such class of property is defined in subdivision one of section eighteen hundred two of the real property tax law, shall not be sold by the city unless such tax lien or tax liens include a real property tax component or sewer rents component or sewer surcharges component or water rents component or emergency repair charges component, where such emergency repair charges accrued on or after January first, two thousand six and are made a lien pursuant to section 27-2144 of this code, as of the date of the first publication, pursuant to subdivision a of section 11-320 of this chapter, of the notice of sale, provided,

however, that any tax lien or tax liens that remain unpaid in whole or in part after such date may be sold regardless of whether such tax lien or tax liens include a real property tax component, sewer rents component, sewer surcharges component, water rents component or emergency repair charges component. For purposes of this subdivision, the words "real property tax" shall not include an assessment or charge upon property imposed pursuant to section 25-411 of the administrative code. A sale of a tax lien or tax liens shall include, in addition to such lien or liens that have remained unpaid in whole or in part for one year, or, in the case of any class one property or class two property that is a residential condominium or residential cooperative, when the real property tax component of such lien or liens has remained unpaid in whole or in part for three years, or, in the case of any class two residential property owned by a company organized pursuant to article XI of the state private housing finance law that is not a residential condominium or a residential cooperative, when the real property tax component of such lien or liens has remained unpaid in whole or in part for two years, and equals or exceeds the sum of five thousand dollars, any taxes, assessments, sewer rents, sewer surcharges, water rents, any other charges that are made a lien subject to the provisions of this chapter, the costs of any advertisements and notices given pursuant to this chapter, any other charges that are due and payable, a surcharge pursuant to section 11-332 of this chapter, and interest and penalties thereon or such component of the amount thereof as shall be determined by the commissioner of finance. The commissioner of finance may promulgate rules defining "abandoned" property, as such term is used in this subdivision.

Such notice shall also contain information related to measures that may be taken, including foreclosure, in the event that the owner does not take such actions. Upon [the written] request of the owner of such property, a [Chinese, Korean, Russian or Spanish] translation of such notice in any of the top ten languages most commonly spoken within the city as determined by the department of city planning shall be provided to such owner.

§4. Section 11-320 of the administrative code of the city of New York is amended to add a new subdivision l to read as follows:

l. The commissioner of finance shall include, in any written communication with a property owner related to the denial of a real property tax exemption pursuant to section four hundred twenty-a, four hundred twenty-b, four hundred forty-six, or four hundred sixty-two of the real property tax law, information on how the property owner can remove his or her property from the lien sale.

§5. The commissioner shall submit a report to the council, no later than ninety days following the

enactment of the local law that added this section, on liens sold at tax lien sales on properties that would have otherwise been eligible for an exemption from the lien sale pursuant to this section and that have not been sold or transferred to a new owner since the date of the lien sale. Such report shall cover all tax lien sales conducted in fiscal years two thousand eleven, two thousand twelve, two thousand thirteen, two thousand fourteen, two thousand fifteen and two thousand sixteen, and shall include the total number and value of such liens, disaggregated by type of exemption.

§6. This local law takes effect immediately. Section five shall be deemed repealed following submission of the report required by such section.
