Resolution approving the Downtown Far Rockaway Urban Renewal Plan for the Downtown Far Rockaway Urban Renewal Area and approving the decision of the City Planning Commission on ULURP No. C 170246 HUQ (L.U. No. 724).

By Council Members Greenfield and Richards

WHEREAS, the City Planning Commission filed with the Council on July 10, 2017 its decision and report dated July 10, 2017 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development, pursuant to Section 505 of Article 15 of the General Municipal Law of New York State and Section 197-c of the New York City Charter, regarding the proposed Downtown Far Rockaway Urban Plan for the Downtown Far Rockaway Urban Renewal Area (the "Area"). This action, in conjunction with the related actions would facilitate the Downtown Far Rockaway Development Plan, a comprehensive planning, zoning, and redevelopment strategy aimed at supporting Downtown Far Rockaway's growth and vitality by fostering a vibrant mix of residential, commercial, and community facility uses on vacant and underutilized sites near mass transit resources and along the area's primary corridors, (ULURP No. C 170246 HUQ), Community District 14, Borough of Queens (the "Application");

WHEREAS, the Application is related to applications C 170243 (A) ZMQ (L.U. No. 721), a zoning map amendment as modified; N 170244 (A) ZRQ (L.U. No. 722), a zoning text amendment as modified; N

170245 HGQ (L.U. No. 723), designation of the Downtown Far Rockaway Urban Renewal Area; C 170247 HDQ (L.U. No. 725), disposition of city-owned property within the Downtown Far Rockaway Urban Renewal Area; and C 170248 PPQ (L.U. No. 726), disposition of city-owned property;

WHEREAS, the New York City Department of Housing Preservation and Development submitted to the Council on July 27, 2017 its request for approval of the Downtown Far Rockaway Urban Renewal Plan, dated January, 2017 (the “Plan”);

WHEREAS, the City Planning Commission has certified that the Plan for the Area is an appropriate plan for the Area and conforms to the provisions of Section 502(7) and the finding set forth in Section 504, Article 15 of the General Municipal Law, and conforms to the comprehensive community plan for the development of the municipality as a whole;

WHEREAS, the City Planning Commission has certified its unqualified approval of the Plan pursuant to Section 505(2) of the General Municipal Law;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, the Plan is subject to review and action by the Council pursuant to Section 505 of the General Municipal Law;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and the Plan on July 27, 2017;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Decision and the Plan;

WHEREAS, the Council has considered the relevant environmental issues, including the Final Environmental Impact Statement (FEIS) for which a Notice of Completion was issued on June 29, 2017 (CEQR No. 16DME010Q), which identified significant adverse impacts with respect to hazardous materials, air quality and noise which would be avoided through the placement of (E) designations (E-415) and the Technical Memoranda dated April 26, 2017, and August 31, 2017, (the “Technical Memoranda”);

RESOLVED:

Having considered the FEIS and the Technical Memoranda with respect to the Decision and Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) Consistent with social, economic and other essential considerations, from among the reasonable alternatives thereto, the action is one which minimizes or avoids adverse environmental impacts to the maximum extent practicable; and
- (3) The adverse environmental impacts disclosed in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval, those mitigation measures that were identified as practicable; and
- (4) The Decision, together with the FEIS and the Technical Memorandum, constitute the

written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 197-d of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 170246 HUQ, incorporated by reference herein, the Council approves the Decision.

Pursuant to Section 505(4) of the General Municipal Law, the Council finds that:

1. The Area is a substandard or insanitary area or is in danger of becoming a substandard or insanitary area and tends to impair or arrest the sound growth and development of the municipality;
2. The financial aid to be provided to the municipality is necessary to enable the project to be undertaken in accordance with the Plan;
3. The Plan affords maximum opportunity to private enterprise, consistent with the sound needs of the municipality as a whole, for the undertaking of an urban renewal program;
4. The Plan conforms to a comprehensive community plan for the development of the municipality as a whole;
5. There is a feasible method for the relocation of families and individuals displaced from the Area into decent, safe and sanitary dwellings, which are or will be provided in the Area or in other areas not generally less desirable in regard to public utilities and public and commercial facilities, at rents or prices within the financial means of such families or individuals, and reasonably accessible to their places of employment; and
6. The undertaking and carrying out of the urban renewal activities in stages is in the best public interest and will not cause any additional or increased hardship to the residents of the Area.

Pursuant to Section 505 of the General Municipal Law, the Council approves the Downtown Far Rockaway Urban Renewal Plan for the Downtown Far Rockaway Urban Renewal Area, dated January 2017.

Adopted.
