Int. No. 435

By Council Members Holden and Yeger

A Local Law to amend the administrative code of the city of New York, in relation to requiring that all public waste receptacles be emptied by the department of sanitation at least once per day

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 16 of the administrative code of the city of New York is amended by adding

a new section 16-143 to read as follows:

§ 16-143 Emptying public waste receptacles. Any basket, container or receptacle placed in a public

place by the department or its authorized agent for the public disposal of litter shall be emptied by the

department at least once per day, except on days when the department has suspended or delayed garbage or

recycling collection.

§ 2. This local law shall take effect ninety days after its enactment.
