Int. No. 468

By Council Member Dromm

A Local Law to amend the administrative code of the city of New York, in relation to a police computer technology strategy plan that includes a phase-out of the use of typewriters

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 14 of the administrative code of the city of New York is amended by adding a new section 14-175 to read as follows:

§14-175 Annual information technology strategy. No later than April first of each year, the department shall produce and transmit to the council and the mayor an information technology strategy report detailing the department's plans for the procurement and deployment of all technology and telecommunications initiatives in the following fiscal year. Such strategy report shall include a plan for the phase-out of the use of typewriters for all departmental purposes by fiscal year two thousand nineteen.

§ 2. This local law takes effect immediately after it becomes law.
