A Local Law to amend the administrative code of the city of New York, in relation to the placement of street name signs at intersections

Be it enacted by the Council as follows:

Section 1. Subchapter 1 of chapter 1 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-159.2 to read as follows:

§ 19-159.2 Placement of street name signs. a. For purposes of this section, the term “street name sign” means a sign mounted on a street corner that bears the name of a mapped street that is parallel to such sign.

b. No fewer than two diagonally opposite corners on each street intersection shall have a street name sign for each street installed on such corner, except where the department determines in its engineering judgment that this requirement is not feasible.

§ 2. This local law takes effect immediately.
