Int. No. 821

By Council Members Richards, Constantinides and Menchaca

A Local Law to amend the administrative code of the city of New York, in relation to backflow prevention device reporting and certification, and the repeal and replacement of subdivision d of section 24-343.1 of such code

Be it enacted by the Council as follows:

Section 1. Subdivision d of section 24-343.1 of the administrative code of the city of New York is REPEALED and a new subdivision d is added to read as follows:

d. On or before January 15, 2016, and on or before every January 15 thereafter, the department shall submit a report to the council setting forth the following information:

1. The number of all facilities that the department estimates requires the installation of one or more backflow prevention devices;

2. The number of such facilities that the department has determined to be in the hazardous category;

3. The number of all facilities in which backflow prevention devices have been installed to date;

4. The number of hazardous facilities in which backflow prevention devices have been installed to date;

5. The number of annual test reports filed with the department in the preceding calendar year;

6. The number of violations issued in the preceding calendar year for failure to install a backflow prevention device; and

7. The number of violations issued in the preceding calendar year for failure to file an annual test report with the department.

§ 2. This local law takes effect 90 days after it becomes law.
