Jamaica Crossing

part of Lot 95
Queens, Community District No. 12
Council District No. 27

Dear Madame Speaker:

The referenced property ("Exemption Area") is the site for the proposed development of an affordable housing project under HPD's Mixed Income Program.

Under HPD's Mixed Income Program, sponsors construct or rehabilitate multifamily buildings in order to create affordable rental housing with a range of affordability. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, New York City Housing Development Corporation ("HDC"), the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed or rehabilitated buildings provide affordable rental housing to the targeted income groups.

The Exemption Area is owned by HP Jamsta Housing Development Fund Company, Inc. (the "HDFC"), a not-for-profit corporation organized pursuant to Article XI of the Private Housing Finance Law. Under the proposed project, the HDFC will be the legal owner and CJ Plaza One LLC and/or BRP JAMSTA Owner TC LLC (the "LLC") will be the beneficial owner and will operate the Exemption Area. The HDFC and the LLC (collectively, the "New Owner") will demolish the buildings currently on-site and construct one building containing a total of 449 rental dwelling units plus one superintendent unit, approximately 106,902 square feet of commercial space, and approximately 22,641 square feet of parking. This project will be part of the Jamaica Crossing development, which will also include a building on an adjacent lot containing 129 rental dwelling units plus one superintendent unit. A separate Article XI tax exemption request for the additional building has also been submitted.

Sincerely,

Vicki Been
