CHAIRPERSON KOSLOWITZ: Good morning.

Good morning everyone. Today we're going to vote on intro 1166-A which is a lobbying and lobbying activities for EDC expenditures and expenses directed at the city council and other public bodies be disclosed in quarterly reports submitted to the council. The lobbying activities of officers and EDC employees need not be reported. Intro 1166 also addresses two housekeeping measures by amending the charter and administrative code to recognize and capture EDC's changed cooperate status and as a result ensure that EDC is still required to provide the council an annual report on jobs and economic development benefits and assist in evaluating the methods for such reports and that the council maintains our right to notice of port and trades, related contracts and its rights to prohibit such contracts by local law. I urge your yes vote on this and we'll call the roll.
