

Carol R. Edmead

New York, New York 10025

Good Morning

Thank you for giving me a few moments of your time to speak with you concerning my nomination as a Board of Elections Commissioner representing New York County.

I am a Native New Yorker, Born in Flushing, Queens; raised in Queensbridge Houses in Long Island City; and for the past 37 years a resident of Park West Village on the Upper West Side.

I have had a pretty circuitous path to this point. I attended New York City Public Schools; City College, and accepted into Columbia University Teachers College doctoral program. Upon graduation from City College, I was hired in the English Department at Medgar Evers College in Brooklyn, New York. Medgar Evers was in its nascent stage, and I enjoyed being a part of its development.

After ten years at Medgar Evers, I decided to pursue the road not taken upon graduation from City College and enrolled in Brooklyn Law School. For my three years at Brooklyn Law School, I taught full time at night and weekends at Medgar Evers and attended law school full time in the day.

For the past almost quarter century, I have served the people of the City and State of New York as a jurist, fostering justice and fairness through law. For more than a decade, I have been the Supreme Court judge handling the Election Law matters in New York County. This assignment often included matters from other counties in New York City. In 2020 I was appointed Presiding Judge of the Appellate Term, New York County. And, for the past year, I

have simultaneously served as Presiding Judge of the Appellate Term, New York County and Acting Surrogate Judge in Kings County Surrogate's Court.

My goal if appointed a Board of Elections Commissioner is to serve all of the people of the City of New York without prejudice or preference.
