Re: Hudson Square BID

Dear Committee Members:

I am writing to express Edison Properties' support for the proposed Hudson Square BID. As the owner of two Manhattan Mini Storage facilities totaling 446,200 square feet and a 16,000 square foot Edison ParkFast parking lot in the proposed BID area, Edison is pleased that there will be an organized effort to address several of the area's most pressing issues. Edison is particularly interested in seeing an increased effort to address the traffic issues plaguing the Hudson Square area. Heavy traffic flowing into the Holland Tunnel often blocks access to our Manhattan Mini Storage and Edison ParkFast locations at Spring and Varick Streets. Through the BID's efforts, we look forward to seeing some relief of this traffic congestion in the near future.

In the interest of supporting a neighborhood of great potential, we urge you to approve the proposed Hudson Square BID.

Sincerely,

A handwritten signature in cursive script that reads "Jerry Gottesman".
