

Dec 21, 2009.

For the record Grand St.
Guild tenants live at or below
the poverty level. Therefore
we hope the owners for all
their commitment of affordability
for the next 40 yrs. + that
this 97 million dollar renovation
is not a predatory equity
deal. My personal view
is that a building that
received a 97 reac score
should not need a
90 million dollar renovation

Thank you
