#### **DOHMH Fiscal 2023 Budget Snapshot**

The Department of Health and Mental Hygiene (DOHMH or the Department) protects and promotes the health and wellbeing of all New Yorkers. The Department develops and implements robust public health education activities and policy recommendations, enforces health regulations, and provides limited direct health services. The Department works to ensure that conditions for good health – accessible, sustainable, high-quality services and efficient, effective systems – flourish in New York City.

#### **DOHMH Financial Plan Overview**

This report reviews the Department of Health and Mental Hygiene's \$1.98 billion Fiscal 2023 Preliminary Plan, and will provide an overview of the funding for public health, early intervention, mental health, and administration and will then analyze the Department's Capital Budget and Commitment Plan for Fiscal 2022-2026. This report will also present the expense budget, relevant New York State budget actions and the Council priorities and review relevant sections of the Fiscal 2020 Preliminary Mayor's Management Report. Finally, Appendix A outlines the Budget Actions in the November and Preliminary Plans, followed by DOHMH's expense budget, financial summary, contract budget, and program area budgets.

### **Financial Summary**

The Fiscal 2023 Financial Plan presents a \$1.98 billion budget for DOHMH and projects that agency spending will decrease to \$1.88 billion by the end of the Plan period. This report breaks DOHMH's budget into four categories: Administration, Public Health, Early Intervention and Mental Health. The below chart shows the breakdown of the Personal Services (PS) and Other Than Personal Services (OTPS) for each of the categories. Early Intervention is managed under the Public Health's Bureau of Family and Child Health and combined are more than half of DOHMH's budget at \$1.2 billion, or 60 percent, Mental Health's budget is \$661 million, or 33 percent and Administrations' budget is \$141 million, or seven percent.

DOHMH Financial Overview					
Dollars in Thousands					
Program Areas	Fiscal 2020 Actuals	Fiscal 2021 Actuals	Fiscal 2022 Adopted	Fiscal 2022 Prelim Plan	Fiscal 2023 Prelim Plan
Administration

Personal Services	\$63,304	\$58,338	\$59,377	\$63,281	\$61,042
Subtotal Admin	\$159,222	\$151,120	\$144,383	\$158,498	\$140,950
Public Health					
Other Than Personal Services	\$423,176	\$764,657	\$654,996	\$1,530,855	\$551,359
Personal Services	\$357,098	\$398,189	\$375,401	\$404,208	\$369,299
Subtotal Public Health	\$780,274	\$1,162,845	\$1,030,397	\$1,935,063	\$920,658
Early Intervention					
Other Than Personal Services	\$261,121	\$229,714	\$305,032	\$305,069	\$238,602
Personal Services	\$15,158	\$14,462	\$16,365	\$16,756	\$16,760
Subtotal Early Intervention	\$276,279	\$244,176	\$321,397	\$321,826	\$255,362
Mental Health					
Other Than Personal Services	\$479,574	\$464,978	\$612,313	\$614,055	\$596,277
Personal Services	\$54,091	\$48,548	\$63,070	\$66,060	\$64,986
Subtotal Mental Health	\$533,666	\$513,526	\$675,383	\$680,115	\$661,263
Grand Total	\$1,749,441	\$2,071,667	\$2,171,561	\$3,095,502	\$1,978,233

The chart above shows the breakdown of DOHMH's program areas. The programs included in these sections are as follows: administration, public health (Center for Health Equity, Disease Prevention and Treatment, Environmental Health, Epidemiology, Family & Child Health, Prevention & Primary Care), Early Intervention and mental health (mental health administration, developmental disabilities, mental health services and alcohol, drug prevention, care and treatment).

The three highest areas of spending are Mental Health Services, followed by Disease Prevention and Treatment and then by Early Intervention. Mental Health Services is 24.3 percent of the Department's total budget at \$480 million. Disease Prevention Treatment is 19.9 percent of the Department's total budget at \$394 million, the largest area of spending in most years is HIV funding, at \$180 million. However, in the Current Modified budget for Fiscal 2022, the highest budget is Immunization at \$733 million, a \$665 million increase from the Fiscal 2022 Adopted Budget. This is due to the increased need in funding for COVID-19 vaccination. Early Intervention is managed under the Family and Child Health Bureau and is the third biggest area of the budget at 12.9 percent, or \$255 million. See Appendix C: Program Area Charts for more information.

<sup>\*</sup>The difference of Fiscal 2022 Adopted Budget compared to Fiscal 2023 Preliminary Budget.

The Preliminary Plan does not include the City Council's Discretionary Funding or one-shot funding that is negotiated with the Administration each year at the time of adoption. The Department of Health's total initiative funding is \$60.5 million, and there was one-shot funding deal of \$3 million for Animal Care Centers. See Appendix D for a itemized list of Fiscal 2022 Council initiatives and one-shots.

#### **Funding Sources**

The majority of the Department's \$1.98 billion Fiscal 2023 budget is City funded, followed by State and then federal contributions. The City funding makes up 48 percent, or \$948 million, State funding makes up 27.8 percent, or \$550 million, and federal makes up 23.7 percent, or \$469 million. The

public health area is currently receiving the majority of the federal funding, due to the COVID-19 pandemic. Currently 39 percent of the public health budget is funded with federal funding. The City and State split the share of funding for Mental health services at 44 percent each.

#### **Federal COVID and Stimulus Funding**

The Department of Health has played a lead role in the City's response to the COVID-19 public health crisis. DOHMH's Fiscal 2022 Current Budget includes \$1.1 billion of federal funding to support the COVID-19 efforts. The Fiscal 2023 budget only includes \$226 million, or an 80.3 percent decrease in federal Funding.

This fiscal year, DOHMH has worked with their partner agencies such as H+H, to roll out a massive vaccination effort. In the current Fiscal 2022 budget DOHMH is receiving \$121.5 million for the immunization program. This funding is reduced to \$45.2 million in Fiscal 2023.

#### **Fiscal 2023 Preliminary Budget Changes**

The Preliminary Plan introduced new needs of -\$1,000 for Fiscal 2022 and other adjustments of \$187.7 million in Fiscal 2022. For Fiscal 2023, new needs amount to \$35.1 million and other adjustments total \$50.7 million. The November Plan introduced new needs of \$524,628 for Fiscal 2022 and other adjustments of \$736 million. For Fiscal 2023, other adjustments total a reduction of \$12.9 million. See Appendix A: DOHMH Budget Actions in the November and the Preliminary Plans for more information. Some of the highlights of new needs and other adjustments are below.

#### **New Needs**

**New Family Home Visits.** The Department has baselined the funding for the New Family Home Visits program that was originally slated to launch in February 2020. The program is funded at \$35.9 million in Fiscal 2023 and \$37 million in the outyears. The program is open to first-time families in public housing, who are engaged with child welfare, or who live in neighborhoods with the greatest social burden. Families that enroll will receive services that are tailored to their unique needs. The program will refer families to DOHMH existing home-visiting initiatives, such as Nurse-Family Partnership and Newborn Home Visiting Program.

**Vaccine Incentive.** The Department draws down the payouts for the \$500 vaccine incentive initiative paid to city employees who were vaccinated after October 29<sup>th</sup>. The total payout was \$2,500, only \$1,000 of which is new expense added to the Fiscal 2022 budget.

#### **Other Adjustments**

**Student Supportive Housing.** DOHMH included \$1.1 million Fiscal 2022 for Students in Temporary Housing.

**OASAS State Aid Letter 1-31-21.** The State reevaluated the total grants received from Office of Addiction Services and Support to DOHMH for a reduction of \$2.9 million in Fiscal 2022 and outyears.

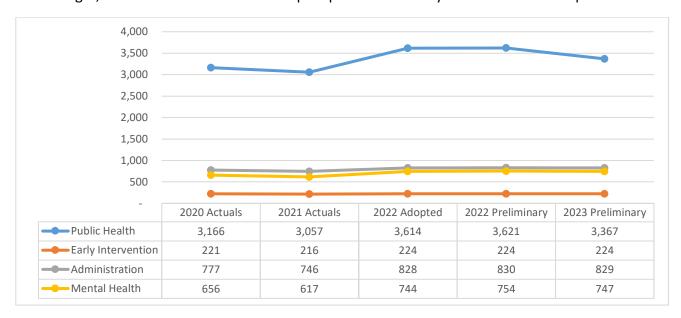

**Testing Kits.** The Department includes \$4 million in Fiscal 2022 for an increase in the number of at home COVID-19 testing kits. DOHMH is working with H+H and the Department of Education(DOE) to provide at home testing kits for all students and working with cultural institutions to provide free test kits.

**World Trade Center (WTC) Zadroga Act.** The City is responsible for a portion of the funding each year through James Zadroga 9/11 Health and Compensation Act. This act provides compensation and medical care for conditions related to the September 11, 2001 terrorist attacks in lower Manhattan. The Fiscal 2023 Financial Plan includes a re-estimate for the City's portion of the federal funding. The total for the five-year financial plan is \$318 million: \$51.5 million in Fiscal 2023, \$67.9 million in Fiscal 2024, \$87.6 million in Fiscal 2025, and \$111.3 million in Fiscal 2026.

**Mental Health Continuum.** DOHMH, H+H and DOE have partnered to launch a mental health continuum initiative for students in 100 high need schools, a program that the Council called for in the Fiscal 2022 Preliminary Budget Response. DOHMH will support the program with two NYC (New York City) Well call center staff, enhancements to the website and communication materials on crisis resources for DOE staff and families. The total added to Fiscal 2022 was \$367,479. The proposed budget sent by the program anticipates the continued cost of DOHMH's portion to be \$472,473.

#### **Headcount**

The graph below shows the growth of headcount in the Department by program area: Public Health, Mental Health, Administration, and the total number of positions in DOHMH. Public Health makes up 65 percent of the budgeted positions in DOHMH for Fiscal 2023. Mental Health is 14 percent of the total budget, while Administration makes up 16 percent and Early Intervention is four percent.

As of December 2021, the actual full-time positions in DOHMH across all areas were 4,446 positions. Even though DOHMH was exempt from the PEGs (Program to Eliminate the Gap), DOHMH found areas to reduce headcount. The Fiscal 2023 Preliminary Budget has budgeted 243 less positions, or 5,167 positions, than the Fiscal 2022 current budget. The biggest reduction in headcount is in the U/A Family and Child Health- Maternal and Child Health, the Fiscal 2023 Preliminary Budget has 213 positions less than Fiscal 2022. The Department has moved funding from the Universal Home Visiting PS U/A to OTPS U/A, in order to contract out these 213 positions instead of hiring them through DOHMH. The only other area with a significant reduction is the Environmental Health- Food Safety of 81 positions, all of which were positions created to support COVID-19.

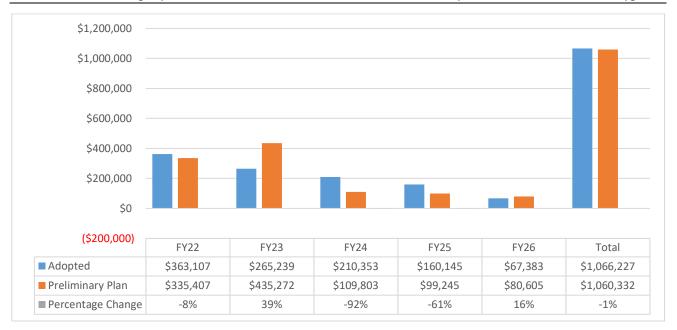

#### Fiscal 2023 Preliminary Mayor's Management Report

The Preliminary Mayor's Management Report (PMMR) for Fiscal 2022 was released in February 2022, and contains information regarding City agencies/offices that allow the public to better understand how NYC Programs are performing. The Department's PMMR includes five service goals: (1) Detect and control infectious diseases, (2) prevent chronic diseases by promoting healthy behaviors and preventive health care, (3) promote a safe environment, (4) prevent and address mental illness, developmental delays and disabilities and substance misuse, and (5) provide high quality and timely services to the public. Some notable metrics provided by DOHMH in the Fiscal 2022 PMMR include:

- Children's Blood Lead Levels. The number of children both under the age of 6 and under the age of 18 with blood lead levels of 5 or more micrograms per deciliter increased in the first four months of Calendar Year 2021. This can be partially attributed to the significant drop in blood lead testing among children due to the COVID-19 public health emergency. In an effort to reach high-risk populations, DOHMH launched two media campaigns, one focused on getting children tested for lead poisoning and the other increased awareness of lead-contaminated consumer products used in the South Asian Community.
- Pest Control. The pandemic similarly impacted initial pest control inspections as the resources were diverted to support citywide COVID-19 risk reductions. In the first four months of Fiscal 2022, DOHMH had a 54.6 percent increase in initial pest control inspections. DOHMH did prioritize its NYCHA (New York City Housing Authority) Rat Reduction Program and continued to perform routine inspections on 103 developments with high rat activity on a monthly basis. The percent of rodent complaints responded to within fourteen days increased by 17 percent in the first four months of Fiscal 2022.
- Early Intervention. In Fiscal 2021, the number of referrals for Early Intervention decreased due to less in person services being provided. In the first four months of Fiscal 2022, the number of new children receiving Early Intervention services increased by 34.3 percent.
- Immunization. The number of children aged 19-35 months with up-to-date immunizations has been impacted by the decrease in use of the health care system during the pandemic. In the first four months of Fiscal 2022, only 64.5 precent of children aged 19-35 months were up-to-date on immunizations and only 92.8 percent of children in public schools are in compliance with required immunizations.
- Overdose Deaths. The high prevalence of fentanyl in NYCs drug supply has led to a continued increase in overdose deaths. During January 2021 to March 2021, there were 140 more overdoses when comparing to January 2020 to March 2021. In the last quarter of 2020, more than 80 percent of the heroin tested by the New York Police Department (NYPD) laboratories contained fentanyl.

#### **Preliminary Capital Commitment Plan for Fiscal 2022 to Fiscal 2026**

The Department's Capital Commitment Plan for Fiscal 2022-2026 totals \$1.1 billion. The Preliminary Plan moves \$27.7 million from Fiscal 2022 to Fiscal 2023. The total Preliminary Capital Commitment Plan remains largely the same as the Adopted Capital Commitment Plan. The below chart shows the comparison between the Fiscal 2022-2026 Adopted Capital Commitment Plan and the Preliminary Capital Commitment Plan for DOHMH.

The majority of the funding moved from Fiscal 2022 to Fiscal 2023 was for the DOHMH Public Health Laboratory Building Construction. The budget for the project in Fiscal 2022 as of Fiscal 2022 Adoption, was \$229 million. At the Fiscal 2023 Preliminary Capital Commitment Plan, the plan was reduced by \$22.2 million, to \$206.9 million for Fiscal 2022. The following are other major projects planned for Fiscal 2022.

- **Brooklyn Animal Care Center Upgrade** funding remains the same between plans at \$35.6 million, all of which is in Fiscal 2022.
- **Urban Health Plan inc. Building Construction** Is funded at \$20.2 million, all of which is in Fiscal 2022.
- **Bushwick Health Center- Exterior Renovation** is funded at \$15.7 million, all of which is in Fiscal 2022.
- Richmond University Medical Center (RUMC) to add Surgical Suites for patients is funded at \$13 million, a \$4.9 million increase since adoption. \$10.8 million is in Fiscal 2022 and \$2.6 million is in Fiscal 2026.

The Brooklyn Borough President added one project between Fiscal 2022 Adoption and Fiscal 2023 Preliminary Budget, the Hatzoloh Incorporated- New Ambulance Purchase Williamsburg, funded for \$214,000 in Fiscal 2023.

#### **Budget Issues and Concerns**

The Adam's Administration is continuing in the de Blasio's Administration's pattern of moving programs to the Department to Health + Hospitals. The newest program being moved is the Public Health Corps, originally in DOHMH's Fiscal 2022 budget at \$50 million, the funding is now moved to H+H's budget.

In addition, the Adam's Administration has launched multiple new programs that weren't included in the Fiscal 2023 budget. Besides the two examples below, there has been an increase interest in addressing serious mental illness and there has been a decrease in the overall mental health budget.

- **Subway Safety Plan.** The February 2022 Subway Safety Plan announced 12 new DOHMH Neighborhood Response Units that were not included in the budget.
- Blueprint to End Gun Violence. The Adam's Administrations Blueprint to End Gun Violence included a plan for the Health Department to expand the Hospital-Based Violence Intervention Programs (HVIPs) to 10 additional hospitals in the communities experiencing high rates of gun violence. The funding is not included in the Fiscal 2023 Preliminary Budget

At Adoption, the City Council negotiated to reinstate the \$3 million one-shot for Animal Care Centers, the intended goal was to provide a Cost-of-Living Adjustment (COLA) for the staff at Animal Care Centers. This \$3 million is not included in the Fiscal 2023 budget.
