The Contract Budget

Introduction

The enclosed Contract Budget sets forth by agency, categories of contractual services based on appropriations proposed in the 2017 Preliminary Budget. Included in the Contract Budget are expense budget contracts that are technical, consulting or personal service in nature. The categories set forth herein satisfy the requirements of Section 104 to organize the Contract Budget according to major and multiple purpose categories of contractual services.

The Contract Budget is submitted in accordance with Section 100(h) of the City Charter. The Departmental Estimates for the Contract Budget equal the Preliminary Contract Budget for 2017, which reflects categories of contractual services based on agency appropriations assuming the implementation of the proposed plan to ensure balance between the expense and revenue budgets presented in the Financial Plan submission of January 21, 2016.
