

Department of Transportation

POLLY TROTENBERG, Commissioner

October 5, 2015

The Honorable Inez Barron
Council Member, 42nd District
718 Pennsylvania Avenue
Brooklyn, NY 11207

Dear Council Member Barron:

Thank you for contacting the NYC Department of Transportation (NYCDOT) concerning your request to implement traffic signal studies, evaluate street lighting and to conduct a survey for crosswalks in your district.

NYCDOT will implement the following:

1. Study the intersections of East 105th Street w/both Foster Avenue and Farragut Road to determine if these intersections meet the Federal warrant to install a traffic signal. We expect these traffic signal studies to take approximately 16 weeks.
2. Conduct a survey to determine if the current street lighting meets our standard and to install additional street lighting, if warranted. We expect to have results in four (4) to (6) six weeks.
3. Conduct a survey for crosswalk markings.

Should you have additional questions, please feel free to contact me at (646) 892-1350.

Thank you for contacting NYCDOT.

Sincerely,
