This memorandum is authored by the sponsor and explains the need for the legislation referenced below, in accordance with Rule 6.00(d) of the Rules of the Council.

Legislative Service Number:

- Reso 0837-2025

Prime Sponsor:

- Council Member Joann Ariola

Bill Title: Resolution calling upon the Metropolitan Transportation Authority to install encased, alarmed, and publicly accessible fire extinguishers in MTA subway cars and stations

- Submitted by:
- Council Member Joann Ariola
- Justification

There are no available fire extinguishers in train stations in case of an emergency. A woman was set on fire and no one was able to help her.

For these reasons, I urge my colleagues to support this legislation.
