Honorable Members of the Council:

The City Planning Commission (the "Commission") has received the attached correspondence, dated May 10, 2024, from the City Council regarding the proposed modification to the above-referenced application submitted by the NYC Department of Citywide Administrative Services for a disposition of a discontinued section house facility under the jurisdiction of the Department of Sanitation.

In accordance with Section 197-d(d) of the New York City Charter, the Commission, on May 13, 2024, determined that the City Council's proposed modification does not require additional review of environmental issues or pursuant to Section 197-c of the Charter.

Very truly yours,

Daniel R. Garodnick
