## **Fiscal 2026 Executive Plan**

### *Libraries Budget Overview*

The New York City public libraries (the System) are comprised of three independent library systems: Brooklyn Public Library (BPL), the New York Public Library (NYPL), and Queens Public Library (QPL), offering an extensive range of services for all of New York. The Libraries' collections include circulations, periodicals, 377 electronic databases and more than 65 million books. The Libraries' consist of 219 local branches across the five boroughs of New York City, and four research library centers in Manhattan, servicing millions of individuals each day. Each system receives City tax-levy funds for operational and energy support, as well as capital funds for maintenance of the 219 branches managed by the systems. The Systems also receive capital funds to create new branches and/or specialized centers.

The Executive Financial Plan for Fiscal 2025-2029 (Executive Plan), includes a proposed Fiscal 2026 budget of \$496.8 million for the System. Libraries' Fiscal 2025 budget in the Executive Plan is \$1.3 million (0.3 percent) more than its current \$497.6 million Fiscal 2025 budget in the Preliminary Plan, and the Fiscal 2026 budget in the Executive Plan is \$16.4 million (3.3 percent) more than its \$480.3 million Fiscal 2026 budget in the Preliminary Plan. The current Fiscal 2026 budget is \$7.9 million more than the \$488.9 million Fiscal 2025 budget at adoption. This report only includes information on the Library Systems' City funds, but the Systems budgets also include funding from other sources such as direct payments from the State, endowments, and

donations. For additional information on Libraries Preliminary Budget, please refer to the Fiscal 2026 Preliminary Budget report.<sup>1</sup>

## Budget Response

Fiscal 2026 Expense Proposal Estimate: **\$62.5 million**

Expense Proposals Included in the Fiscal 2026 Executive Budget: **\$15.7 million**

In the City Council’s Fiscal 2026 Preliminary Budget Response, the Council identified areas of concern relating to the Libraries. The budget response called on the Administration to add \$62.5 million in expense baselined funding for the City’s three library systems starting in Fiscal 2026. The funding would provide \$44.8 million for the library systems’ unmet expense needs for Fiscal 2026, baseline the Council’s longtime support of \$15.7 million, and provide \$2 million for the expansion of 7-day library service to 10 additional branches citywide. The budget response also included a call for an additional \$345 million for unmet capital needs for the System, which includes urgent projects like roofs, HVAC systems, fire safety, and accessibility upgrades. The Budget Response also called for an inclusion of additional funding for library capital needs in the Ten-Year Plan, including \$1.2 billion over the next ten years.<sup>2</sup> The Executive Plan includes the following, as shown in the table.

FY26 Budget Response Items			
#	Response Priorities	Amount Requested	Amount in the Exec Budget
1	Library Support and Restoration and 7-Day Library Service Expansion	\$62.5	\$15.7
2	Library Unmet Capital Need	\$345.0	\$0
