Res 0870-2011

Resolution calling on the United States Congress to pass and the President to sign into law the Public Safety Spectrum and Wireless Innovation Act (S.911), which amends the Communications Act of 1934 to provide public safety providers an additional ten (10) megahertz of spectrum to support a national, interoperable wireless broadband network and authorizes the Federal Communications Commission to hold incentive auctions to provide funding to support such a network.
