Roll Call

Res 1174-2000

Resolution calling upon Governor George E. Pataki to help safeguard the quality of the New York City water supply by directing the New York State Department of Transportation to abandon its plans for the expansion of Routes 120 and 22 in the immediate vicinity of the Kensico Reservoir and to advance necessary traffic and safety improvements for Interchanges 2 and 3 on Interstate Highway 684 in a way that minimizes disruption to and assures the protection of the Kensico Reservoir watershed.
