**Calling upon Visa, MasterCard, Discover and American Express to refrain from advertising their credit card services on the website of the "National Alliance"**

Resolution calling upon Visa, MasterCard, Discover and American Express to refrain from advertising their credit card services on the website of the "National Alliance," and from doing business with this organization, which is a well-known neo-Nazi group.

*Adopted by the Committee on General Welfare*

**Res 0696-2003**

**Support of affirmative action admission policies in higher education that take into consideration race and ethnicity.**

Resolution in support of affirmative action admission policies in higher education that take into consideration race and ethnicity among many factors used in making admissions decisions, as such policies serve a compelling state interest for institutions of higher education to achieve diverse student bodies, have the potential to enrich the life of the nation, and better enable the nation to remedy the present effects of past discrimination, and condemning President George W. Bush for attacking such affirmative action admission policies in two cases now pending before the United States Supreme Court, Gratz v. Bollinger, Board of Regents of the University of Michigan, et. al., (undergraduate lawsuit) and Grutter v. Bollinger, Board of Regents of the University of Michigan, et. al., (law school lawsuit), wherein the legal brief submitted by the Bush administration mischaracterizes the University of Michigan's admissions policy as a "quota" system, and demonstrates a profound insensitivity to civil rights.

*Adopted by the Committee on Higher Education*

**Res 0770-2003**

**Base Station License, Callup**

Resolution pursuant to Section 19-511.1 of the Administrative Code of the City of New York to review forty determinations by the Taxi and Limousine Commission to approve applications for the renewal of a license to operate a base station and five determinations to approve an application for a new license to operate a base station.
