#### **FOOTNOTES**

(1) Fiscal 2019 administrative expenses of the New York State Financial Control Board ("FCB") and the Office of the State Deputy Comptroller ("OSDC"), the "State Oversight Retention Requirements", have been treated only for accounting and financial reporting purposes of the City as if they were City expenditures. Consequently, the above estimates of General Fund receipts for Fiscal 2019 do not reflect anticipated reductions in amounts to be received by the City from the four and a half percent sales tax levied in the City (the "City Sales tax") pursuant to State Oversight Retention Requirements. In fact, the State Oversight Rentention Requirements are to be retained by the State from the City Sales Tax and will therefore reduce the funds which are paid to the City from the City Sales Tax. This presentation of State Oversight Renention Requirements (instead of being shown as a reduction in City Sales Tax) has no bearing on the statutory relationship between the City, on the one hand, and the FCB and OSDC, on the other hand.
