The department shall collaborate with the department of youth and community development to produce such report.

c. The report required by subdivision b of this section shall include, but not be limited to, the following information, as may be obtained voluntarily:

(b) Age, classified as homeless youth, homeless young adult, adult, and senior; and

(c) The number and percentage of shelter beds reserved for LGBTQ homeless persons, if applicable; the number and percentage of such beds that are available as of the last day of the reporting period; the number of such beds declined by LGBTQ homeless persons during the reporting period; and the reason for each such declined bed, if given.

2. The department, in collaboration with the department of youth and community development, shall

make best efforts to obtain information to prepare the report required in this section, but shall not require any person to provide information for such purposes. Such efforts shall include the provision of voluntary questionnaires at shelters, safe havens, drop-in centers, and runaway and homeless youth crisis services programs.

d. No information that is otherwise required to be reported pursuant to this section shall be reported in a manner that would violate any applicable provision of federal, state, or local law relating to the privacy of information. If a category of information required by subdivision b contains 5 or fewer individuals, or allows another category to be narrowed to 5 or fewer individuals, the number shall be replaced with a symbol.

§ 2. This local law takes effect immediately.
