Int. No. 1112

By the Public Advocate (Mr. Williams) and Council Members Louis, Richardson Jordan, Stevens and Riley

A Local Law to amend the administrative code of the city of New York, in relation to the use of conducted electrical weapons by the police department

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 14 of the administrative code of the city of New York is amended by adding a new section 14-193 to read as follows:

§ 14-193 Conducted electrical weapons. a. Definitions. For the purposes of this section, the term “TRI form” means the threat, resistance or injury incident worksheet or any successor form that is filled out by an officer after discharging a conducted electrical weapon.

b. Whenever a conducted electrical weapon is discharged, the discharging officer shall be responsible for downloading the data from such weapon at the end of the discharging officer’s tour. Such data shall be attached to the TRI form.

c. Whenever a conducted electrical weapon is discharged, the discharging officer shall note the number of times such weapon was discharged on the TRI form.

d. Beginning January 1, 2023, any new contracts, contract renewals or contract modifications for the purchase of body worn cameras shall require such cameras to be capable of automatically beginning recording when a conducted electrical weapon wirelessly reports that it is armed or that its trigger is being pulled. Such feature shall be enabled during the entirety of an officer's tour whenever such feature is available.

§ 2. This local law takes effect 180 days after it becomes law.
