Int. No. 335

By Council Members Holden, Yeger, Stevens and Ung

A Local Law to amend the administrative code of the city of New York, in relation to suspending alternate side of the street parking when there is at least four inches of snow

Be it enacted by the Council as follows:

Section 1. Section 19-163.1 of the administrative code of the city of New York, as added by local law number 68 for the year 2008, is amended to read as follows:

§19-163.1 Suspension of parking rules during snowfalls. All alternate side of the street parking rules shall be suspended during any snowfall with an accumulation of at least four inches of snow [that causes the department of sanitation to suspend its street sweeping operations], provided that the department may reinstate alternate side of the street parking rules after twenty-four hours if it determines, after consulting with the department of sanitation, that alternate side of the street parking is necessary to immediately commence curbside snow removal.

§ 2. This local law takes effect immediately.
