Res. No. 1262

Resolution determining that Proposed Int. No. 379-A, a Local Law to amend the administrative code of the city of New York, in relation to requiring the purchase of Energy Star certified appliances whenever appliances in certain apartments are replaced, will not have a significant adverse impact on the environment.

By The Speaker (Council Member Miller)

Whereas, Pursuant to the New York State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and regulations promulgated thereunder in 6 NYCRR Part 617 and in accordance with Executive Order No. 91 of August 24, 1977, as modified by the Rules of Procedure for City Environmental Quality Review (62 RCNY § 5-01, *et seq.*), the Council has evaluated the appropriate

criteria to determine the environmental significance of Proposed Int. No. 379-A, which is a local law to amend the New York city charter, in relation to requiring the purchase of Energy Star certified appliances whenever appliances in certain apartments are replaced; and

Whereas, The attached Environmental Assessment Statement, including the attached Environmental Assessment Analysis of Int. No. 379-A, and Negative Declaration represent the findings and conclusions of the Council; now, therefore, be it

Resolved, That the Council of the City of New York hereby determines that the enactment of Proposed Int. no. 379-A, will not have a significant adverse impact on the environment.
