RESOLVED:

Having considered the FEIS and the Technical Memorandum dated October 19, 2009, with respect to the Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) Consistent with social, economic and other essential considerations from among the reasonable alternatives available, the action, as modified herein, is one which avoids or

minimizes adverse environmental impacts to the maximum extent practicable; and

(2) Adverse environmental impacts identified in the FEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the decision those mitigative measures that were identified as practicable, by means of, inter alia, the filing and recordation of restrictive declarations substantially in the forms set forth in Exhibit B and C of the City Planning Commission’s Report (C 090433 ZMM) in accordance with the provisions of Section 93-06 of the Zoning Resolution.

(2) The Decision and the FEIS and the Technical Memorandum dated October 19, 2009 constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of the decision, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 090422 HAM).

The Council finds that the present status of the Project Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Project Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Council approves the disposition of such property to a developer selected by the Department of Housing Preservation and Development.
