Preconsidered Res. No. 1928

Resolution finding that the enactment of Proposed Int. No. 21-A does not have a significant adverse impact on the environment and is consistent with The State Environmental Quality Review Act.

By Council Members Gennaro, Dickens, Mitchell and Weprin

Whereas, The enactment of Proposed Int. No. 21-A, A Local Law to amend the New York city charter and the administrative code of the city of New York, in relation to developing a comprehensive program for the remediation and reuse of brownfields, is an “action” as defined in section 617.2(b) of Title 6 of the Official Compilation of the Codes, Rules and Regulations of the State of New York; and

Whereas, The Council and the Office of the Mayor, as co-lead agencies pursuant to section 5-03(d) of the Rules of Procedure for City Environmental Quality Review, have considered the relevant environmental

issues attendant to such enactment; and

Whereas, After such consideration and examination of an Environmental Assessment Statement, the Council and the Office of the Mayor have determined that a Negative Declaration should be issued; and

Whereas, The Council and the Office of the Mayor have examined and considered the Negative Declaration that was prepared; now, therefore, be it

Resolved, That the Council of the City of New York, having considered the Negative Declaration, hereby finds that:

- (1) the requirements of The State Environmental Quality Review Act and Part 617 of Title 6 of the Official Compilation of the Codes, Rules and Regulations of the State of New York have been met; and
- (2) consistent with environmental, social, economic and other essential considerations, the proposed action is one which will not result in any significant adverse environmental impacts; and
- (3) the annexed Negative Declaration constitutes the written statement of facts and conclusions, and of environmental, social, economic and other facts and standards that form the basis of this determination.
