Section 1. Chapter 1 of title 9 of the administrative code of the city of New York is amended by adding a new section 9-157 to read as follows:

§ 9-157 Housing requests related to gender identity.

a. On or before January 1, 2020, the department shall issue an incident level report to the speaker of the council and the board of correction on applications for housing in dedicated housing units that includes transgender, gender non-binary, and intersex individuals made during the six-month period preceding the date of issuance of such report. Such report shall include the following information for each such application: the outcome of such request; the length of time between such application and a decision on such application; if such request was denied, the reason for such denial in categories defined by the department; if an appeal was filed, the outcome of such appeal and the length of time between the filing of such appeal and the response to such appeal. Before submitting such reports, the department shall remove all personal identifiers. Any individually identifiable information contained in such reports shall not be publicly disclosed except as required by law or with the written consent of the person who is the subject of the information, or that person's authorized representative. Notwithstanding any other provision of law, the reports required by this subdivision are not required to be transmitted in electronic format to the department of records and information services, or its successor agency, and are not required to be made available to the public on or through the department of records and information services' web site, or its successor's web site.
