Int. No. 883

By Council Members Holden and Brannan

A Local Law to amend the administrative code of the city of New York, in relation to improving the flow of traffic during street construction

Be it enacted by the Council as follows:

Section 1. Section 19-107 of the administrative code of the city of New York is amended by adding new subdivisions d and e to read as follows:

d. A person to whom a permit has been issued shall ensure that a flag person or other individual authorized by law to conduct traffic is present at the street closure for which such permit was issued.

e. The police department shall enforce the provisions of this section, and shall periodically conduct a visual inspection of each street closure for which a permit has been issued pursuant to this section to confirm that a flag person or other individual authorized by law to conduct traffic is present.

§ 2. This local law takes effect 120 days after it becomes law.
