Int. No. 493

By Council Members Nurse, Louis, Abreu, Restler, Won, Sanchez, Brewer, Riley, Velázquez, Gutiérrez, Ossé, Richardson Jordan, Powers, Marte, Schulman, Hanif and Krishnan (by request of the Brooklyn Borough President)

A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of sanitation to establish a plan for accepting commercial solid waste at city-owned marine transfer stations

Be it enacted by the Council as follows:

Section 1. Title 16 of the administrative code of the city of New York is amended by adding a new section 16-144 to read as follows:

§ 16-144 Commercial solid waste processed at marine transfer stations. a. No later than March 1, 2023, the commissioner shall submit to the mayor and the speaker of the council, and make publicly available online, a plan for accepting and processing putrescible and non-putrescible waste from commercial establishments at each city-owned marine transfer station that is accepting, or is scheduled to accept, solid waste. For each city-owned marine transfer station, such plan shall include, at a minimum, (i) the date upon which each city-owned marine transfer station will begin accepting commercial putrescible and non-putrescible solid waste, and (ii) a description of the department's past efforts and planned efforts to attract commercial solid waste to such station, including whether the city will subsidize tipping fees associated with such waste in whole or in part.

b. No later than March 1, 2025, and by March 1 every year thereafter, the commissioner shall submit to the mayor and the speaker of the council, and make publicly available online, a report on implementation of such plan. For each city-owned marine transfer station, such report shall include, at a minimum, the amount of putrescible and non-putrescible solid waste accepted and processed by such station from commercial establishments in the previous calendar year.

§ 2. This local law takes effect immediately.
