A Local Law to amend the administrative code of the city of New York, in relation to the division of AIDS services

Be it enacted by the Council as follows:

Section 1. Section 21-126 of the administrative code of the city of New York, as added by local law number 49 for the year 1997, is amended to read as follows:

§ 21-126 Division of AIDS services. There shall be a division of AIDS services within the New York city department of social services. Such division shall provide access to benefits and services as defined in section 21-128(a)(1) of this chapter to every person with clinical/symptomatic HIV illness, as determined by the New York state department of health AIDS institute, or with AIDS, as defined by the federal centers for disease control and prevention, who requests assistance, and shall ensure the provision of benefits and services

to eligible persons as defined in section [21-128(a)(3)] 21-128(a)(4) of this chapter with clinical/symptomatic HIV illness or with AIDS.

§ 2. Subdivision g of section 21-128 of the administrative code of the city of New York, as added by local law number 49 for the year 1997, is amended to read as follows:

g. Not later than sixty days from the effective date of the local law that added this section, the commissioner shall prepare a draft policy and procedures manual for division staff. Such policy and procedures manual shall include, but not be limited to, strict guidelines on maintaining the confidentiality of the identity of and information relating to all applicants and recipients, instructional materials relating to the medical and psychological needs of persons with clinical/symptomatic HIV illness or with AIDS, application procedures, eligibility standards, mandated time periods for the provision of each benefit and service available to applicants and recipients and advocacy resources available to persons with clinical/symptomatic HIV illness or with AIDS. Such list of advocacy resources shall be updated semi-annually. Within thirty days following the preparation of such draft policy and procedures manual and prior to the preparation of a final policy and procedures manual, the commissioner shall distribute such draft policy and procedure manual to all social service agencies and organizations that contract with the department to provide HIV-related services and to all others whom the commissioner deems appropriate, and hold no fewer than one noticed public hearing at a site accessible to [the disabled] persons with disabilities, at which advocates, service providers, persons [who have tested positive for] with HIV infection, and any other member of the public shall be given an opportunity to comment on such draft policy and procedures manual. The commissioner shall prepare a final policy and procedures manual within thirty days after the conclusion of such hearing and shall thereafter, in consultation with the advisory board established pursuant to subdivision k of this section, review[,] and, where appropriate, revise such policy and procedures manual on an annual basis. Upon any proposed revision, and prior to the finalization of such revision, no fewer than one noticed public hearing shall be held at a site accessible to [the disabled] persons with disabilities at which advocates, service providers, persons [who have tested positive for]

with HIV infection, and any other member of the public shall be given an opportunity to comment on such draft policy and procedures manual. The commissioner shall provide for semi-annual training, using such policy and procedures manual, for all division staff.

§ 3. Subdivision h of section 21-128 of the administrative code of the city of New York, as added by local law number 49 for the year 1997, is amended to read as follows:

h. Not later than sixty days from the effective date of the local law that added this section, the commissioner shall publish a proposed rule establishing a bill of rights for persons with clinical/symptomatic HIV illness or with AIDS. Such draft bill of rights shall include, but not be limited to, an explanation of the benefits and services for which persons with clinical/symptomatic HIV illness or with AIDS may be eligible; timetables within which such benefits and services shall be provided to eligible persons; an explanation of an applicant's and recipient's right to examine his or her file and the procedure for disputing any information contained therein; an explanation of an applicant's and recipient's right to a home or hospital visit for the purpose of applying for or maintaining benefits or services; an explanation of the process for requesting a division conference or New York state fair hearing; and a summary of the rights and remedies for the redress of discrimination as provided for in title eight of this code. Within sixty days following the publication of such proposed rule or any revision thereto, and prior to the publication of a final rule, the commissioner shall hold no fewer than one noticed public hearing as required by subdivision e of section 1043 of the charter at a site accessible to [the disabled] persons with disabilities at which advocates, service providers, persons [who have tested positive for] with HIV infection, and any other member of the public shall be given an opportunity to comment on such draft bill of rights. The commissioner shall publish a final rule within thirty days after the conclusion of such hearing and shall thereafter, in consultation with the advisory board established pursuant to subdivision k of this section, review[,] and, where appropriate, revise such bill of rights on an annual basis. Such bill of rights shall be conspicuously posted in all division offices that are open to the public [and], posted on the department's website, and provided to clients upon their first meeting with a caseworker and annually or

upon any revision. Caseworkers shall review the provisions of such bill of rights with clients upon such first meeting and at any time a client requests. Such bill of rights shall be available [for distribution to the public] in English, Spanish and any other languages that the commissioner deems appropriate.

§ 4. Subdivision j of section 21-128 of the administrative code of the city of New York, as amended by local law number 32 for the year 2005, is amended to read as follows:

j. The commissioner shall submit [written, quarterly reports] to the mayor and the speaker of the council and post on the department's website quarterly reports, with all tables and underlying data provided in a machine readable format, that shall, at a minimum, provide the following information:

1. The number of persons with clinical/symptomatic HIV illness or with AIDS who requested benefits or services set forth in subdivision b of this section or any other benefits or services provided by the division.

2. The processing time for applications for benefits or services, disaggregated by field office, type of benefit and individual versus family case, specified as follows:

(i) for non-emergency applications for food stamps, medicaid and public assistance benefits, including separate determinations of eligibility for medicaid or food stamps:

(1) the number of days from completed application to the provision of the benefit or service; and

(2) in cases of denial, the number of days from the completed application to denial of the application.
