to read as follows:

(i) Where the death of a member of the uniformed forces of the police or fire departments is or was the natural and proximate result of an accident or injury sustained while in the performance of duty, the surviving spouse or domestic partner, until he or she dies, and the children under the age of nineteen years and any such child who is enrolled on a full-time basis in a program of undergraduate study in an accredited degreegranting institution of higher education until such child completes his or her educational program or reaches the age of [twenty-three] twenty-six years, whichever comes first, shall be afforded the right to health insurance coverage, and health insurance coverage which is predicated on the insured's enrollment in the hospital and medical program for the aged and disabled under the social security act, as is provided for city employees, city retirees and their dependents as set forth in paragraph one of this subdivision. Where the death of a uniformed member of the correction or sanitation departments has occurred while such employee was in active service as the natural and proximate result of an accident or injury sustained while in the performance of duty, the surviving spouse or domestic partner, until he or she dies, and the child of such employee who is under the age of nineteen years and any such child who is enrolled on a full-time basis in a program of undergraduate study in an accredited degree-granting institution of higher education until such child completes his or her educational program or reaches the age of [twenty-three] twenty-six years, whichever comes first, shall be afforded the right to health insurance coverage, and health insurance coverage which is predicated on the insured's enrollment in the hospital and medical program for the aged and disabled under the social security act, as is provided for city employees, city retirees and their dependents as set forth in paragraph one of this subdivision. Where the death of an employee of the fire department of the city of New York who was serving in a title whose duties are those of an emergency medical technician or advanced emergency medical technician (as those terms are defined in section three thousand one of the public health law), or whose duties required the direct supervision of employees whose duties are those of an emergency medical technician or advanced emergency medical technician (as those terms are defined in section three thousand one of the public health

fifteen and before July thirtieth, two thousand fifteen as a natural and proximate result of an accident or injury sustained while in the performance of duty, subject to the same terms, conditions and limitations set forth in the section. Provided, however, and notwithstanding any other provision of law to the contrary, and solely for the purposes of this subparagraph, a member otherwise covered by this subparagraph shall be deemed to have died as the natural and proximate result of an accident or injury sustained while in the performance of duty upon which his or her membership is based, provided that such member was in active service upon which his or her membership is based at the time that such member was ordered to active duty pursuant to Title 10 of the United States Code, with the armed forces of the United States or to service in the uniformed services pursuant to Chapter 43 of Title 38 of the United States Code, and such member died while on active duty or service in the uniformed services.

§ 2. This local law takes effect immediately and shall be retroactive to and deemed to have been in full force and effect on and after April 4, 2018.
