Int. No. 74

12/31/2021

By Council Member Yeger

A Local Law to amend the administrative code of the city of New York, in relation to requiring newsracks to have slanted tops

Be it enacted by the Council as follows:

City Council

Section 1. Paragraph 1 of subdivision b of section 19-128.1 of the administrative code of the city of

Filed (End of Session)

New York is amended to read as follows:

1. The maximum height of any newsrack containing a single publication shall be fifty inches. The

maximum width of any such newsrack shall be twenty-four inches. The maximum depth of any such newsrack

shall be twenty-four inches. The top of any newsrack shall be at an angle of at least forty degrees such that the

rear wall shall be taller than the front wall of the newsrack.

§ 2. This local law shall take effect one hundred and twenty days after enactment into law.
