The Council approves the modification of the Project Area consisting of properties located at 1413 Pitkin Avenue (Block 1475/Lot 78) and 1416 Eastern Parkway Extension (Block 1475/Lot 39) (the "Project Area");

The Council finds that the present status of the Project Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives designation of the Project Area requirement pursuant to Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project Area from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

- a. All of the value of the buildings, structures, and other improvements situated on the Project Area shall be exempt from local and municipal real property taxation, other than assessments for local improvements and land value, for a period of ten years during the last five years of which such exemption shall decrease in equal annual decrements. Such exemption shall commence on the January 1st or July 1st (whichever shall first occur) after rehabilitation of the building on the Project Area has been substantially completed and a temporary or permanent Certificate of Occupancy for such building, if required, has been issued by the Department of Buildings. Notwithstanding the foregoing, no exemption shall be granted hereunder if the cost of such rehabilitation is less than the assessed value of such building as determined in the tax year immediately preceding the grant of the tax exemption hereunder.

- b. The tax exemption granted hereunder shall terminate with respect to all or any portion of the Project Area if HPD determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York or HUD. HPD shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days.
