| Title:          | Resolution of the New York City Council joining the City Councils of Chicago and Los Angeles in calling upon the President and Congress to allocate Homeland Security and Urban Area Security funding in a way that ignores political agendas and focuses on fairly distributing resources to the areas of the country with the greatest needs, recognizing that our nation's largest urban centers are the true targets of terrorist attacks.                                     |                    |     |             |                             |                                 |  |
