

Legislation Details

File #: Res 1265-2005 **Version:** A **Name:** Appropriate federal and state agencies, and the public, to provide all natural gas supply projects.
Type: Resolution **Status:** Adopted
In control: Committee on Environmental Protection

On agenda: 11/30/2005

Enactment date: **Enactment #:**

Title: Resolution calling upon the appropriate federal and state agencies, and the public, to provide all natural gas supply projects, including the proposed Broadwater Energy Project, a fair and full review, in light of the important role that natural gas is projected to play in enhancing the reliability of energy resources, increasing diversity of supply sources, reducing energy price volatility, and protecting environmental and public health in New York City.
