Int. No. 896-A

By Council Members de Blasio, Lappin, Barron, Brewer, Gerson, Gonzalez, James, White, Jr., Jackson, Gennaro, Liu, Mitchell, Weprin and The Public Advocate (Ms. Gotbaum)

A Local Law to amend the administrative code of the city of New York, in relation to requiring signage warning of heat dangers of playground equipment including safety surfacing.

Be it enacted by the Council as follows:

Section 1. Chapter 1 of Title 18 of the administrative code of the city of New York is hereby amended by adding a new section 18-135 to read as follows:

§18-135 Requiring signage warning of heat dangers of playground equipment. The department shall place at all entrances to all playgrounds operated by or under the jurisdiction of the department, including those for which the department has an agreement with a conservancy or other not-for-profit organization with respect to operation of any aspect of a playground a sign reading, “Warning: Some surfaces may become hot. Please take precautions with exposed skin.”

Such signs shall be placed at all entrances of all playgrounds where presently there is not a sign at all entrances warning that shoes are required to be worn in such playground. Such signs shall also be placed at the entrances to all other playgrounds upon replacement of a sign in any such playground warning that shoes are required to be worn. All signs shall be securely affixed at such entrances. The above described warning shall also be placed on every sign in any playground stating the rules of such playground when any such sign is replaced. All signs shall be in English and, where appropriate, additional languages. For purposes of this section, “securely affixed” shall mean that at a minimum the signs shall be tethered to not less than two stationary fixtures.

§2. This local law shall take effect forty-five days after enactment, except that the commissioner of parks and recreation shall take all steps necessary to implement this local law prior to such effective date.
