Int. No. 74

By Council Member Yeger

A Local Law to amend the administrative code of the city of New York, in relation to requiring newsracks to have slanted tops

Be it enacted by the Council as follows:

Section 1. Paragraph 1 of subdivision b of section 19-128.1 of the administrative code of the city of New York is amended to read as follows:

1. The maximum height of any newsrack containing a single publication shall be fifty inches. The maximum width of any such newsrack shall be twenty-four inches. The maximum depth of any such newsrack shall be twenty-four inches. The top of any newsrack shall be at an angle of at least forty degrees such that the rear wall shall be taller than the front wall of the newsrack.

§ 2. This local law shall take effect one hundred and twenty days after enactment into law.
