Int. No. 252

By Council Members Reynoso, Kallos and Levin

A Local Law to amend the New York city charter, in relation to tracking mitigation strategies in final environmental impact statements as part of the uniform land use review process

Be it enacted by the Council as follows:

Section 1. Subdivisions c and d of section 206 of the New York city charter are amended to read as follows:

c. Such list shall include all commitments made by letter by the mayor or a representative designated by the mayor to the council or a council member, and any mitigation measures or other project components that

would eliminate the potential for an adverse impact identified in a final environmental impact statement, conditional negative declaration, or environmental assessment statement that relate to an application described in subdivision b of this section on which the city or a not-for-profit corporation of which a majority of its members are appointed by the mayor is either the applicant or co-applicant.

d. Such list shall include any commitment made by letter by the mayor or a representative designated by the mayor to the council or a council member for which a funding amount of one million dollars or more is set forth in the letter establishing such commitment, and any mitigation measures or other project components that would eliminate the potential for an adverse impact identified in a final environmental impact statement, conditional negative declaration, or environmental assessment statement in relation to an application described in subdivision b of this section on which neither the city nor a not-for-profit corporation of which a majority of its members are appointed by the mayor is either the applicant or co-applicant.

§ 2. This local law takes effect 90 days after it becomes law.
